The image shows two overlapping screenshots from a web browser. The left screenshot is the "Produktregistrering og -aktivering" (Product Registration and Activation) page. It contains a form with fields for "Bruker-ID", "Fornavn", "Efternavn", "Foretrukket språk", "Konto", "Produkt", and "Serienummer". Below the form, there is a section for "Aktiveringskode:" with a grid of input boxes. A red box highlights this grid, and a red arrow points from it to the right screenshot. The right screenshot is the "Autodesk Product License Activation Options" dialog box. It shows product details for "Autodesk Revit 2014" and a "Request code" field. Below this, there is a 4x4 grid of input boxes for the activation code. A red box highlights this grid, and a red arrow points from the left screenshot to it. A red circle with a yellow highlight is also present on the right screenshot, pointing to the "Request code" field. The text "Copy-Paste" is written in red across the middle of the image, with arrows indicating the flow of information from the registration page to the activation dialog.
